David,

Attached is a revised draft permit for Continental Tire. The changes to the table are in response to your questions about how the VOM increase was calculated. I hope this revision answers your questions.

We are also still working on the testing requirements. When the testing conditions have been revised, I will send those to you as well.

Recall that public notice ends on 10/4.

Thanks.

Jason Schnepp[attachment "12070023 - Continental_3.doc" deleted by David Ogulei/R5/USEPA/US]
